**REGISTER EARLY!** Space is limited. We can accept a maximum of 500 participants. **DON'T BE LATE!** General registration, postmarked August 16 through September 15: \$30. Late registration, postmarked September 16 and later: \$40. It's still an incredible bargain: two meals, three workshops, all materials, and so much more for such a low price. And, in case you missed it above, register by August 15 and your donation is only \$25!

**IF YOU REGISTER BEFORE AUGUST 15,** you will receive a confirmation packet, including a map, parking information, and other details. If you register after that point, check the synod Web site for the map, etc. Parking is limited - carpooling is strongly suggested! Check the last page for directions.
