

OPENING WINDOWS, OPENING DOORS

Exploring fresh ideas for congregation councils

**What does it mean to be a member of a congregation council?
What can be the vision and mission of a congregation council?
What are the rights, responsibilities and commitments of
council members?**

The Delaware-Maryland Synod Council cordially invites all members of congregation councils as well as other congregational leaders to attend a day-long training event. Cost will be minimal to enable your entire council to attend as a group. Guest speakers, small-group sessions devoted to specific ministry topics, Bible study - all that and more is on the agenda! Watch for details to be announced in FaithLines, The E-Letter, and other synod communication tools.
